**GT03.19 GOSSMORE TRUST REPORT 2018-2019
ANNUAL REPORT – 2018-2019**

Extensive work is still taking place by the Environment Agency as part of the flood alleviation programme of works. The project is now significantly delayed and whilst Pergola field is now open to the public the sports pitches remain closed. The drainage problems on the sports pitches have been investigated and work has taken place to rectify them. New drainage pipes have been installed and additional topsoil has been levelled across all of the pitches. Grass is now being established across the playing fields. The area will not be open to the public until the grass is well established and will be dependent on weather conditions during the late summer/autumn of 2019.

Marlow Amateur Association of Football Clubs (MAAFC) are keen to return as soon as the pitches are useable. The Environment Agency are paying annual compensation for the loss of income from the rental of the pitches. Members are also reminded that when MTC were appointed as the responsible body to fund Gossmore Recreation Ground and MTC, acting as the sole trustee will file a zero-annual return to the Charity Commission.
