POST LOCKDOWN REVIEW

INFORMATION
- Cllr J Towns met with Jacqueline Ford in Marlow on Tuesday 14th for a walk around town to review what signage needs replacing and what was unnecessary. Jacqueline is going to put a plan together so we can raise social distancing awareness, we are still in a pandemic and this still needs to be observed, especially with cafes and restaurants opening up.

This will include the removal of the temporary crossings at Institute Road and Station Road, also the new barrier that has been put up around the corner of Pound Lane and the High Street needs appropriate signage and re-positioning as a number of vans have driven into it.

BC are reviewing all requests for increased usage of pavements.

#SUSTAINABLEMARLOW

INFORMATION
- Cllr J Towns presented an overview of sustainablemarlow on the recent Marlow CAN zoom call last week, this was followed by each individual group leader presenting their particular subject, Refill, AQMA, and Eco Schools. ReLeaf was presented in the previous call.

It should be noted that the water refill station on the Causeway has now been connected by Thames Water and, just waiting on further information on lockdown restrictions for when it is safe to open this facility for use by the community.

MARLOWCAN UPDATE

INFORMATION
- Cllr N Marshall reported that the third and final webcast went out last Thursday evening with items from sustainablemarlow and the AQMA. The next stage is to agree the way forwards – influencing BC and the Marlow residents towards climate awareness.
- P.160**

AQMA UPDATE

INFORMATION
- Cllr N Marshall is still awaiting the April readings from BC.
