Hi [REDACTED]

Some advice please

I've been approached by a local resident regarding the bins outside the shops on Oak Tree Road.

I've witnessed that these bins are usually full and invariably overflowing. With schools starting again this has obviously exacerbated the situation.

Who can I speak to about either upgrading the bins, adding lids, increasing collections or increasing bin capability?

Could you advise the current schedule for collection and who manages these bins?

Thanks [REDACTED] Stay well.

Let's go and look at the area in question. We will need to wait to see if Trinity road closure is adopted and do something then.

All looks good to me, Jocelyn, thanks for asking.

I was going to ask for the issue of parking spaces at the west end of Wethered Rd to go on, but felt it was a bit late, a formal E&S committee position might not be necessary, and also I feel that I don't really understand the internal politics - e.g. Neil seemed not to be supportive, though I may have misinterpreted.

If I've got this right then if the TC is supportive a councillor simply needs to put in the request to the SWCCB and then it'll be on their agenda. Maybe if you get a chance the issue could be raised at the E&S committee as an AOB? (though I am not sure if you're even going to be present since you must be in Spain by now, no? - in this case no problems at all ... another time).

I'm thinking A2 or A1. What size are the other posters / how much room is there on display boards? I think just 2 copies to start with.
Please give the printers my contact details ref getting the artwork to them. Also to make sure that the right picture goes with each priority. If possible I'd like to see the final poster before it's printed.

Hope all has been good for you and you have enjoyed a lovely summer with the family?

After an Events Working Group that was held a couple of weeks ago, it has been decided not to hold a Civic Service in January. This was as a result of concerns such as Covid levels possibly rising during the winter and also getting people to come out on a cold winter's day. We will therefore be holding a Civic Day in the Spring culminating in a Civic Service.

We don't have any dates at the moment in mind but wonder if you could indicate when you would be able to accommodate a Service for us say from March to beginning of May and this then would set the date for the rest of the event(s).

Many thanks and apologies for moving the date on a number of occasions.

All looks good to me, Jocelyn, thanks for asking.

I was going to ask for the issue of parking spaces at the west end of Wethered Rd to go on, but felt it was a bit late, a formal E&S committee position might not be necessary, and also I feel that I don't really understand the internal politics - e.g. Neil seemed not to be supportive, though I may have misinterpreted.

If I've got this right then if the TC is supportive a councillor simply needs to put in the request to the SWCCB and then it'll be on their agenda. Maybe if you get a chance the issue could be raised at the E&S committee as an AOB? (though I am not sure if you're even going to be present since you must be in Spain by now, no? - in this case no problems at all ... another time).

Hi Natalia

I'm sorry that you're experiencing these issues. Can I suggest you call [REDACTED] to see what they can do to resolve this. I received a notification that you had been added to the mandate, so I don't think I can do anything to help at this end I'm afraid. However, if you don't meet with any success getting [REDACTED] to assist, I will of course escalate this.

Please let me know you get on.

Hi Natalia

Have you received a card reader and authorisation card yet? If not then that would suggest you might still need to register for online banking. You've been added to the mandate but must still register for online services.

If you've been sent the card reader and authorisation card and have generated a user name and password, but they're not working, then you'll need to contact [REDACTED]. If you've forgotten the username / password, and have registered for online services you can request help on the following page

Please see this campaign regarding cigarette butts. This is really a BC issue and I understand that new types of bins have been discussed with them. Can anyone update me (us) so we are ready for the expected petition.

Thank you so much [REDACTED]
And sorry not to get this together before now (on behalf of [REDACTED])
I'm thinking A2 or A1. What size are the other posters / how much room is there on display boards? I think just 2 copies to start with.
Please give the printers my contact details ref getting the artwork to them. Also to make sure that the right picture goes with each priority. If possible I'd like to see the final poster before it's printed.

Can you ask the printers how best to merge the images with the text?
I appreciate that the image may not be the right resolution (I took a photo using my phone). I can deliver the original anywhere needed.

Thank you

It would be great to collect this week. Is anyone in the office today so I could pick up some?

If not I can pick up after school drop off Wednesday morning after 9am?

Hi [REDACTED]

[REDACTED] comment to me on his paper was

Just to flag up something about the walking paper - I'm not expecting the TC to formally adopt the whole thing. Rather, it is a bunch of proposals for you to discuss and accept what you wish. Does that make sense?

I think we probably need to adopt a couple of the items those that require outside councils to be

involved we obviously can't.

Maybe we could say we are working towards adopting the various suggestions made in this paper, but that a number of outside bodies will need to be brought on board and we will update where we are with actions in forthcoming meetings. Does this cover us?

The family are likely to depart around the 11th so of you have time to give an indication of the process that would be really helpful or just whether it is possible.

I have suggested they buy the bench to show the family and then I work out the placement of it in the weeks ahead.

Sorry to trouble you though.

Dear Jocelyn

I hope that you are well and that team Marlow has recovered from COVID19? It seems so from looking at the high street but one never knows.

I have a quick question which hopefully you might be able to assist with?

Very sadly the [REDACTED] passed away in [REDACTED] back in June and to remember her, and her late husband, her grandchildren would like to erect a memorial bench on or beside the riverside footpath opposite [REDACTED] [REDACTED] for the people of the town and visitors to use.

Technically, various holding companies that own the land on both sides of the river also own the river bed as well as the Thames footpath, which is maintained by the EA, but I thought that I should ask to see if there are any protocols that we have to adhere to. No actual site has been identified yet but I can see the sense in not blocking the footpath itself but there is plenty of space on the footpath to accommodate a bench.

Please could you let me know if it will be a problem or if we need to seek planning from Buckinghamshire Council etc.?

I look forward to hearing from you when you have a moment.

Yours

Kind regards
